

# THE TEST

Why was Chris tempted to cheat on the test? Shadrach, Meshach and Abednego faced a different kind of test. What big choice did they have to make? **Read Daniel 3:5-6.**

They were obeying laws God gave, called the Ten Commandments. What do these rules tell us about false gods? **Read Exodus 20:3-5.**

We may not be told to bow down to a statue, but we can be tempted to worship other “idols” in the world today. Have you ever thought that having fun or getting something new is more important than obeying God? **Read Matthew 6:33.**

Shadrach, Meshach and Abednego are often called heroes of the faith, but they were also ordinary people like you and me. Why do you think they may have been tempted to do what everyone else was doing? It isn't a sin to be tempted, but is it a sin to give in?

## PRAY

Heavenly Father, help me remember that there is nothing more important than obeying and serving You. Amen.
