

# 2021-2022 Sunday School Volunteer Information Email

**Good day Sunday School volunteers! Sunday School is set to begin September 12th! Read on to learn more about:**

- What we're doing NEW!
- Covid-related protocols
- Schedule
- Plan to Protect Refresher/Orientation dates

## NEW AND EXCITING!

- With fewer volunteers this year, we're going to try out ☆KIDSCHUCH☆
- 2 weeks of regular, in-classroom lessons and every 3rd week one leader with a few helpers will gather in the old sanctuary (after regular-church worship time) for songs, a large group lesson and potentially small group time
- Teachers/helpers not scheduled are welcome anytime at ☆KIDSCHUCH☆ to help with crowd control
- Open to ideas/offers to lead a day of large group, share a mini-testimony, lead a song, etc.

## COVID PROTOCOLS

*\*We'll be implementing protocols similar to what schools are doing and what government recommendations are for daycares/after school care*

*\*\*Detailed Covid Policy and Procedures will be sent after the Sept 8th board meeting, highlights are below*

*\*\*\*We'll continue to be fluid in our protocols to best maintain good practice as pandemic needs evolve*

- MASKING: details to come following Sept 8th board meeting
- Sanitize upon entering and exiting the classroom and during class
- When possible, use Lysol wipes to clean tables and high touch areas after class and during class when necessary
- When possible, aim for distance (i.e. space out children at tables, avoid close-contact games/activities)
- When possible, avoid sharing materials/supplies (i.e. have one person hand out materials, children can use individual supply packs provided by church)
- No food allowed in classrooms at this time
- Children/teachers are not to attend if sick; if children are sick, they will be escorted to the designated isolation room until parents can take them home
