

## Prayer for Salvation of Loved Ones

Dear Lord,

We know that it is Your desire that all people would receive salvation. You gave Your precious Son so that, whoever would believe in Him, would not perish, but have eternal life, (John 3:16) for salvation is found in no one else but Jesus. (Acts 4:12)

Lord, we ask that You draw our loved ones unto Yourself. Reveal Yourself to them. Help them to see You in Spirit and in truth. Fill their hearts with the understanding that You alone are God, that You have created them, and that You love them.

Open their eyes that have been blinded to their sin. Show them that because of their sin, they have been separated from You and are bound to death and destruction. But also, Lord, show them that You have provided for them, the way to salvation; the way to eternal life with You!

Thank You for Your patience, Your tolerance and Your kindness towards our loved ones; it is Your kindness that leads people to a place of repentance. (Romans 2:4) Help us to show this same kind of love to them so that we might be Your hands and feet extended.

Father, use us to be Your witnesses to them. Guide us and direct us as we pray for them. Help us to be sensitive to the leading of the Holy Spirit so that we might speak Your truth into their hearts in a straightforward, easy to understand way.

We ask that You bind satan as he strives to hinder the work of the Holy Spirit and steal the seeds that have been planted. Remove any and all barriers that would prevent the truth of the Gospel message from taking root in their lives.

Soften their hearts and make them fertile ground, ready to receive the transforming power of the Gospel message of Jesus Christ. Let Your love transform them from darkness to light. May they experience the freedom from sin that comes from surrendering their lives to You.

Everyone who calls on the name of the Lord will be saved. (Romans 10:13)  
So, Jesus, cause our loved ones to call out to You!

In Jesus name, Amen
