

Hello Friends and Supporters!

*Let me hear in the morning of your steadfast love, for in you I trust.*

*Make me know the way I should go, for to you I lift up my soul.*

*Psalm 143:8*

It has been a busy and rich month here in Romania.

We have been in many churches as on top of regular church meetings Evangelistic weeks have been happening. Rotating through the local villages week by week, up to 7 times a week, pastors and servant leaders lead gospel centered meetings. Their hope and prayer is that people will come to know the forgiveness of Christ. They also call believers into a deeper relationship with our great God. We have been inspired by the Hungarian Baptist Churches commitment to their churches and the churches in surrounding communities. In many of these meetings our family has been asked to sing a song or two and to share testimonies. We had never considered our family to be a quartet of sorts; however, I am learning that God asks us to do things we do not anticipate... and I am learning to see the blessing that doing such a thing is to others.

We travelled 5 or so hours to a city called Brasov to do some touring and to visit with the HBC church there. It was good to see more of Romania and was great to see how God is working in the hearts of His people. We were able to stay with a local family and enjoyed rich Hungarian hospitality. Ian was also invited to preach that Sunday. On our way home we stopped at a different city to attend their Evangelistic meeting. We have several connections to people that were there and made more new friends. Kendra especially enjoyed visiting with a young woman who spoke English very well. We are blessed to see how God has equipped her to form relationships wherever she goes. 3 minutes before the service began, the pastor asked if we would share some of what God has done in our lives and it was encouraging when our son Nathan didn't hesitate to stand up and declare how God has worked in him.

On top of regular Youth Ministry, we were also able to enjoy a full day at Camp Falcon Rock with the Junior Youth. It is a great facility, and it was a blessing to be able to be safe and warm, despite the windy, cool weather. We played games, spent time in God's Word and enjoyed the snow!

It has been wonderful to have my mom visiting. I am proud of her for the way she has embraced the many new and cultural experiences she has faced. Obviously, we have been pretty busy but I treasure the times when we have been able to just sit and visit. Nearing the end of her visit now, I look back and wonder how time can go so fast. Ian and I are currently in California for some NAB meetings. My mom stayed in Romania with our teenagers. She is keeping them fed and clothed and making treasured memories!

Thank you for your continued prayer support.

Prayer requests:

1. For moving of hearts related to the Evangelistic services.
2. For my mom as she travels home in early March.
3. For Nathan as he works on grade 11 online.
4. For Missions Teams as they start coming from Canada/USA.
5. For clarity and trust with regards to our futures.

Ian, Karen, Nathan and Kendra.
